1	Judaism	An ancient religion that can be traced back around, 4,000 years.
2	Sedar Plate	The Seder Plate contains foods that remind Jews of the suffering that they went through when they were slaves in Egypt and also of their commitment to God
3	Kosher	Preparation of food according to the requirements of Jewish law.
4	Kashrut	Kashrut (food laws) help Jews show God they value their special relationship with Him
5	Passover	The Passover is a Jewish celebration to remind and give thanks to God when He 'passed over' the Jewish homes and only killed the first born sons of the Egyptian families.
6	Human Rights	The Christian belief that God took human form by becoming Jesus.
