

YEAR 6 INTER HOUSE CROSS COUNTRY

Year 6 children participated in an Inter-House cross country competition on Tuesday afternoon on the 26th November. They each represented their respective teams, **Hickman**, **Stonefield**, **St. Edwards** and **St. Leonards**. They had to run an entire two laps of the marked course across the school field, showing perseverance, stamina and endurance to keep on running until the end. Children had to run in their teams and work together to try and score in the top places. The finishing places were then totalled together giving them a final score. E.g. – 25th + 2nd. Because of the uneven numbers of the houses, the totals were averaged across how many children ran for each house.

The finish scores are as shown below:

St. Leonards	14 – 4 th Place
St. Edwards	12 – 3 rd Place
Hickman	7.5 – 1 st Place
Stonefield	10 – 2 nd Place

The children were extremely exhausted and showed great perseverance in their performance!

Well done to all in involved!
