

Autumn 1 – Marvellous Me

Children will spend the first half term settling into their new environment, adapting to new routines and expectations and meeting new friends. During this time, staff will play alongside all children and make initial (baseline) assessments in all 7 areas of learning as well as completing the statutory Government EYFS Baseline Assessment for all children. Children will hear lots of stories and nursery rhymes in Reception and they will be encouraged to sit together on the carpet to share story time, developing their listening and attention skills.

<p>Harry and the Dinosaurs go to school by Ian Whybrow</p> 	<p>Topsy and Tim Start School by Jean and Gareth Adamson</p> 	<p>Peace at Last by Jill Murphy</p> 	<p>Whatever Next by Jill Murphy</p> 	<p>Love Makes a Family by Sophie Beer</p> 	<p>My Mum and Dad make me laugh by Nick Sharratt</p> 	<p>Simon Sock by Sue Hendra and Paul Linnet</p> 
<p>Starting school is exciting but it can also be quite scary when you're little! We will be finding out about how Harry and his dinosaurs got on on their first day at school and think about our feelings about starting at Bilston CE Primary. Throughout the week we will be learning about our new routines; where to hang our coats and bags, where to go to the toilet and where we have our lunch. We will be busy learning lots of new names of children and staff and getting</p>	<p>In this story, we see Topsy and Tim start at their new school just like we have done. We see all of the lovely things that they get up to in their new classroom. I wonder what our favourite things to do are in school? What have we enjoyed so far? Is there anything that we are still nervous about? We will explore our feelings together and learn about how everyone experiences different emotions at different times. We will also start to think about our routine before coming to school – what</p>	<p>Poor Daddy Bear can't get to sleep because Mummy Bear's snoring is just too loud! He moves around the house and even into the garden and the car to try to get some sleep but there are noises all around him, keeping him awake. We will be thinking about our own homes, thinking about what we like to do when we are at home. What are our favourite toys? Who lives in our home?</p>	<p>Baby Bear goes on a very exciting adventure before his bath, he finds a rocket, helmet and boots and shoots off to the moon! On the moon, he has a picnic with an owl he meets on the way! We will have a go at creating our own rockets to blast off into space where we can have our own Teddy Bears Picnic, bringing in our favourite teddies to share some food that we will make together. We will think about what food we would like to eat and also write our own invitations to invite a friend to share the picnic with us.</p>	<p>Families come in all shapes and sizes, some are big, some are small. Some have a mum and dad, some have two dads or two mums. Some have brothers and sisters, some have grandparents and aunts and uncles and cousins. Our families are all different but one thing is the same...we all love each other. Love is what makes a family. We will think about the people who are in our families and talk about why they are special to us.</p>	<p>Mum and Dad are funny in this story, Mum likes to wear all things spotty and Dad just loves stripes! During this week, we will continue to think about our families and people who are familiar to us. We will think about our likes and dislikes and those of the people around us.</p>	<p>Simon the Sock has a problem...he can't find his matching pair! He knows that without his pair, he'll never get chosen out of the sock drawer! This is a story about a sock who searches for his friend and discovers that you don't always need to be the same to be friends. This week, we will think about the friends that we have made in school so far, how we make friends and how we can be kind and friendly towards others.</p>

used to wearing our brand new uniform!	do we do in the morning? Can we sequence some simple events in order? (Eating our breakfast, cleaning our teeth, brushing our hair, getting dressed...)
