

Dance Festival 2023

On Thursday 16th February and Friday 17th February, 2023, children across our school participated in the annual Bilston CE Dance Festival. The theme this year was 'Songs from stage and screen'. Children in each class learned dances for an hour every week during the first spring half term, mastering steps and understanding timing. This all culminated in 4 shows in front of parents and guardians, who thoroughly enjoyed the children's hard work.
