

Sports Day at Bilston C of E

What happened?

This year at Bilston C of E, Sports day turned into a sports week! On Wednesday the 22nd June and Friday 24th June children all participated in their own Year Groups Sports day. The agenda looked something along the lines of this:

Wednesday Morning	Reception
Wednesday Afternoon	Year 3 & Year 4
Friday Morning	Year 1 & Year 2
Friday Afternoon	Year 5 & Year 6

What is "Sports Day"?

Sports day for Bilston C of E is not just a day of "sport", it is a day of togetherness where everyone in the school, including staff, children and parents come together to celebrate taking part in lots of competitive sport. It also gives them opportunity for physical activity, building of confidence and access to competitive sports against others.

At Bilston C of E, children are in their houses (St. Edwards, St. Leonards, Stonefield & Hickman) competing against each other for their house to win the overall "trophy".

Competitiveness

Children were put into heats in their year groups where they raced in different races against each other. The races/activities were different for KS1 & KS2. EYFS & KS1 had taken part in a Sprint, Egg & Spoon and a Dressing up race. Whereas, KS2 had taken part in Sprint, Egg & Spoon and the Tug of war. We even got the parents involved in the activities.
