

Year 6 Intra-House Hockey tournament

During the Spring 1 term, Mr. Harris and Mr. Franks organised an intrahouse hockey tournament. This tournament consisted of the four houses. Hickman, St. Leonards, St. Edwards and Stone field. They had to play each other the same amount of times, and they had some really competitive and fun games, with some really important goals!

After playing all of the games, and some of them being very competitive and very close between the houses, there can only be one winner. The children had lots of fun taking part in this Inter house competition, and we look forward to hosting more inter house competitions in the future. Here are our crowned champions of the tournament!
